

Agreement Terms

This Collaboration Agreement is entered into between:

Operator: (Strategy & Monetization Partner)

Creator: @nooor_tate

1. PURPOSE

The purpose of this agreement is to collaborate on the creation, launch, and sale of a digital product monetized through the Creator's Instagram audience.

2. OPERATOR RESPONSIBILITIES

The Operator agrees to handle the following:

- Market research and audience pain-point analysis
- Product strategy, positioning, and structure
- Copywriting for stories, sales messaging, and launch flow
- Launch planning and execution strategy
- Digital product creation coordination and delivery system
- Overall monetization and optimization decisions

3. CREATOR RESPONSIBILITIES

The Creator agrees to handle the following:

- Posting Instagram stories as per the agreed launch plan
- Using their personal voice, face, and audience trust
- Engaging with audience polls, questions, and feedback
- Avoiding promotion of competing products during launch period
- Providing necessary knowledge, experience, or insights for product creation
- Marketplace will be established on creator's name (Whop/Gumroad/Etsy)

4. TIMELINE & LAUNCH

Both parties agree to:

- A pre-launch period of approximately 14 days
- A mutually agreed launch date
- Timely execution of assigned responsibilities

5. REVENUE SPLIT

All net revenue generated from the digital product shall be split as follows:

- Creator: 75%
- Operator: 25%

(Payments shall be calculated from total collected revenue minus platform processing fees only)

Agreement Terms

6. OWNERSHIP & RIGHTS

- The Creator retains ownership of their audience and brand identity
- The digital product is co-created for this collaboration only
- Neither party may reuse the product independently without mutual consent

7. CONFIDENTIALITY

Both parties agree to keep strategies, data, and financial details confidential.

8. TERMINATION

Either party may terminate this agreement if responsibilities are not met. Revenue earned prior to termination will be split as agreed.

9. ACCEPTANCE

By proceeding with this collaboration, both parties acknowledge and agree to the terms stated above. To confirm both parties should right “Agreed” in the chat.
